Represent

Fabian Mazur

Put your city up and represent, now where you from
(Where you from)
Put your city up and represent, now where you from
(Where you from)
Put your city up and represent, now where you from
(Where you from)
Put your city up and represent, now where you from
(Where you from)

Represent your city, represent
Represent your city, represent
Represent represent represent represent...
Throw it up and represent

You gotta represent
You gotta represent
Throw it up and represent

Represent your city, represent
Represent your city, represent

Put your city up and represent, now where you from
(Where you from)
Put your city up and represent, now where you from
(Where you from)
Put your city up and represent, now where you from
(Where you from)
Put your city up and represent, now where you from
(Where you from)

Represent your city, represent
Represent your city, represent
Represent represent represent represent...
Throw it up and represent

Throw it up
Throw it up
Throw it up
Throw it up
Represent your city, represent
Represent
You gotta represent

Throw it up (represent)
Throw it up
Throw it up
Throw it up
Represent your city, represent
Represent
You gotta represent

Throw it up and represent
