

Settle

Fabian Mazur

Hilltop, Cabernet
High above old PCH
I'd settle for, I'd settle for that
Your cruel silhouette
Dancing out of rhythm, yeah
I'd settle for, I'd settle for that

If you can't give me
What I'm looking for
If you can't give me that
If you can't give me
What I need and more
I'll take what I can get

I would settle for
I would settle for
I would settle for
Just a little bit of your time, I'll take it
Just a little bit of your space, invade it
Just a little bit of you, a bit of you
I would settle for

Weekends, 2 AM
Fit me anywhere you can
I'd settle for, I'd settle for that
'Cause it's never too late to hit me
You're never too high to reach me
It's never too late to love me, yeah yeah
I'd settle for that

If you can't give me
What I'm looking for
If you can't give me that
If you can't give me
What I need and more
I'll take what I can get

I would settle for
I would settle for
I would settle for
Just a little bit of your time, I'll take it
Just a little bit of your space, invade it
Just a little bit of you, a bit of you
I would settle for

If you done run outta love
If you done run outta love
If you done run outta love
(As much as I hate to)
If you done run outta love
(Admit it, I love you)
If you done run outta love
(So I'll take what you give me)
If you done run outta love
(It's better than nothing)

I would settle for

I would settle for
(Baby I would settle for)
I would settle for
Just a little bit of your time, I'll take it
Just a little bit of your space, invade it
Just a little bit of you, a bit of you
I would settle for

I would settle for
I would settle for
I would settle for
Just a little bit of your time, I'll take it
Just a little bit of your space, invade it
Just a little bit of you, a bit of you
I would settle for
