

Bae Dreaming

Fabulous

Thinkin' 'bout my baby, I be bae dreaming
Thinkin' 'bout my baby, I be bae dreaming
Thinkin' 'bout my baby, I be bae dreaming
Thinkin' 'bout my baby, I be bae dreaming (DJ Lavish Lee)

Got me reminiscing
Last night was a workout, we did ten positions
She be squatting down, do it with a mission
Talking hardcore, Lil' Kim edition, yeah
Then she wipe me down like she doin' dishes, yeah
Said, "Don't let me catch you with them goofy bitches," yeah
Said, "Let's take a shot," that '42 is vicious, yeah
Look me in my eyes, you know I'm superstitious, yeah
Seven years of bad sex if you look away
Can't look down at it, gotta look away
She bad at home and a good look away
Pass her somethin' so nice, had to look away, ah

Thinkin' 'bout my baby, I be bae dreaming
Thinkin' 'bout my baby, I be bae dreaming (Yeah, look)

Okay, look, starin' at my girl through these Cartiers, bae watch, huh
Plus I can't tell the time on my bae watch
Watch out, my pockets deeper than a crockpot, huh
Watch out, she tryna fuck me on the spot, spot
Speed off in a drop-top, creep out with a thot thot
Suck it 'til your jaw lock, suck it like a cough drop
If it ain't 'bout no money, sorry, call drop
Call drop
Yeah, bae dreamin', stay schemin'
Shawty stay in Neiman, call, stay for the weekend
She my Puerto Rican mama
Ayy, I'ma eat her like butter pecan, mama, yeah
Okay, look

Thinkin' 'bout my baby, I be bae dreaming
Thinkin' 'bout my baby, I be bae dreaming

Bae dreamin', stay schemin', yeah
Bae dreamin', stay schemin', yeah (Thinkin' 'bout my baby, I be bae dreaming
)
Bae dreamin', stay schemin', yeah (Thinkin' 'bout my baby, I be bae dreaming

)
Bae dreamin', stay schemin', yeah (Thinkin' 'bout my baby, I be bae dreaming
)
Bae dreamin', stay schemin' (Thinkin' 'bout my baby, I be bae dreaming)
