Ball Drop

Fabolous

Well in just about 15 seconds from now, it'll be 1990. We're gathered down b
elow as we say goodbye to 1989. The ball is moving, the crowd sees it, you c
an hear 'em. Oh can you ever hear 'em. They know when it hits the bottom it'
ll be 1990; goodbye to the 80s
10, 9, 8, 7, 6, 5, 4, 3, 2, 1!
Happy new year!

Whoa, whoa, whoa (7x)
(Haan, change is good for everybody)
Montana, Dre fitted it, haan)

When that hate don't work they start telling lies
Baby work, go on bust it wide
It's that new money, let the drugs dry
I cut my bitch off when the ball drop

Haan
(Whoa whoa whoa) (4x)
I just don't know why

Hating hoes ain't happy
And happy hoes ain't hatin'
Better check the situation
I could fix your situation
Whoa whoa whoa (2x)
I cut them bitches off when the ball drop
New year, new money, then the call dropped
(New year, new money, let them drugs drop
Cut them niggas off when the ball drop
Cause them real niggas ain't haters
And them hatin' niggas ain't real
And baby I could help your situation
No top smokin' medication)

This the new year resolution
We gotta be the winners cause the rest is losin'
I told em get money, that's the best solution
When you do, wear your rocket like you rest in Houston
When niggas throw my style I ain't stressed to boostin'
It's time to make more money, less excuses
My old bitch on death row, it's time for execution
My new bitch is bad ass, she the best since Boosie

12 o' clock then the call dropped
Cut them niggas off when the ball drops
Young boy, hard head in the soft top
Cause when them shots ain't ringin', you can't call shots
Mix some white and brown on the corner strap
Might be the next Mike Brown where you rollin' at
V with hundred on the Lincoln
3 quarter mink blew the top off Lincoln, God
Niggas scared to play it like jail or Richard Mellor
I hope I never Tom Heller, God
Scramble like a dope fiend (dope fiend)
Keep your head up like your nose bleedin'
My right hand got 30 on his left arm

On that left lane nigga, what a bitch for?
I just don't know why

Cuttin' off hoes when the ball drop
Ridin' with my woes til' the casket drop
Quiet 'fore you suckas hear a pin drop
I buy this mother fucker like the price drop
Shawty bag it up, let that ass drop
Mommy killin' em, tat tear drop
Bitch I'm on fire, need to stop drop
Nigga this the flow that got your artist dropped
Heard he was a rat, heard he done dropped
Hit em in the head, watch the body drop
Dollars coming down like rain drops
New year, new money, nigga ball drop
