

Niggas is tryna eat, that's all I look at it as  
Niggas wanna eat food  
Niggas is tired of being on the streets  
Niggas is tired of robbing and stealing  
Niggas tired of selling drugs  
They tryna get some money

Every single day, each and every night  
B.I.T.E, that's my word, I'm screaming B.I.T.E, I'm screaming B.I.T.E  
Every single day, each and every night  
B.I.T.E, that's my word, I'm screaming B.I.T.E, now what that mean

I say bitch I'm tryna eat, bitch I'm tryna eat, B.I.T.E, that's my word

Bitch I'm tryna eat, bitch I'm tryna eat, B.I.T.E, that's my word  
I'm screaming B.I.T.E, I'm screaming B.I.T.E

I say bow ya head for ya hood  
Bless the streets that I eat on  
So cold in my city, best believe that that heats on  
Bitch I'm tryna eat before it's rest in peace on my t stone  
Want my eggs scrambled hard, with extra cheese of the t-bone  
Got ah recipe on the streets homes', takes hustle and some muscle  
Make a meal called success, now I ain't say you gon duck stress  
I ain't say it don't come with pain, couple losers gon come with game  
They ain't eating, got stomach pains, they calling you but your number chang  
ed  
Old friendships get strained, couple words might get exchanged  
Knew niggas since diapers, oh well guess shit is changed  
My teacher came to me, asked the same of me, what I'm tryna be  
And I say B-I-T-E

Every single day, each and every night  
B.I.T.E, that's my word, I'm screaming B.I.T.E, I'm screaming B.I.T.E  
Every single day, each and every night  
B.I.T.E, that's my word, I'm screaming B.I.T.E, now what that mean

I say bitch I'm tryna eat, bitch I'm tryna eat, B.I.T.E, that's my word  
I'm screaming B.I.T.E, I'm screaming B.I.T.E  
Bitch I'm tryna eat, bitch I'm tryna eat, B.I.T.E, that's my word  
I'm screaming B.I.T.E, I'm screaming B.I.T.E

Look  
I ain't grow up on park place, where I'm from it's ah dark place  
Hard to look on that bright side, these skies be dark grey  
In our case, get ah nark case, in a P-A-R-K  
Wasn't tryna be Scareface, shit I just want the new Barkleys  
If little fish get fed to sharks, I'm tryna see how that shark taste  
Ashton with that shark face, I'm tryna fill my park space  
I'm tryna be in my dark shades, on a parkade, at the Barclays  
I'm tryna get my money long, long as Eastern Parkway  
Me and my niggas got reservations, no wait, no hesitations  
Non stop to the money, that's my final destination  
A judge looked at me, asked the same of me  
What you tryna plea? And I say B-I-T-E

Every single day, each and every night

B.I.T.E, that's my word, I'm screaming B.I.T.E, I'm screaming B.I.T.E  
Every single day, each and every night  
B.I.T.E, that's my word, I'm screaming B.I.T.E, now what that mean

I say bitch I'm tryna eat, bitch I'm tryna eat, B.I.T.E, that's my word  
I'm screaming B.I.T.E, I'm screaming B.I.T.E
