

Changes

Fabulous

feat. 2 Pac

[Fabolous - Intro]

You know what?

Everybody goes through some changes in life

Some poeple change for the better, some poeple change for the worse

But umm, some people need to make that change

[2Pac - Verse 1]

(Come on come on)

I see no changes (Fabolous - You know what I mean? Change is good sometimes.
)

Wake up in the morning and I ask myself (Fabolous - You know?)

is life worth living should I blast myself?

I'm tired of bein' poor and even worse I'm black

my stomach hurts so I'm lookin' for a purse to snatch

Cops give a damn about a negro pull the trigger kill a nigga he's a hero

Give crack to the kids who the hell cares one less hungry mouth on the welfa
re

First ship 'em dope & let 'em deal the brothers

give 'em guns step back watch 'em kill each other

It's time to fight back that's what Huey said

2 shots in the dark now Huey's dead

I got love for my brother but we can never go nowhere

unless we share with each other We gotta start makin' changes

learn to see me as a brother instead of 2 distant strangers

and that's how it's supposed to be

How can the Devil take a brother if he's close to me?

I'd love to go back to when we played as kids

but things changed, and that's the way it is (Fabolous - who really changed?
)

[Fabolous - Chorus]

This game ain't change me, so don't let it change you

If you've been real with me, I'm still real with you

If you got love for me, I still got love for you

If you down for me, then I'm still down for you

If you don't fuck with me, then I don't fuck with you

If you ain't cool with me, then I ain't cool with you

If you won't ride with me, then I won't ride for you

This game ain't change me, don't let it change you

[Fabolous - Verse 2]

Why would I change? I ain't never slide down a bad pole

Even though I'm certified over plat's sold

They say I'm different 'cuz I ride in a plat. Rolls

But every time, we gotta ride don't this cat roll?

I never snitch, and go and hide in a rat hole

And I aint givin' you nothing besides what this gat hold

No pride, I ain't that old

Cut off a few, but kept a few girls I decide like I'm ??

It probably don't seem like a struggle

But I used to dream that this thug'll balance beams just to smuggle

It's funny same girls that didn't seem like they'd love you

Is beggin' for your autographs and screamin' to hug you

It's crazy, same dudes that seem like they thug you

Is prayin' on your downfall, schemin' to mug you

And people that didn't give a fuck, is dreamin' to bug you
And goin through' extreme's just to plug you, who really changed?

[Fabolous - Chorus]

This game ain't change me, so don't let it change you
If you've been real with me, I'm still real with you
If you got love for me, I still got love for you
If you down for me, then I'm still down for you
If you don't fuck with me, then I don't fuck with you
If you ain't cool with me, then I ain't cool with you
If you won't ride with me, then I won't ride for you
This game ain't change me, don't let it change you

[2Pac talking over Fabolous chorus]

We gotta make a change...

It's time for us as a people to start makin' some changes.

Let's change the way we eat, let's change the way we live

and let's change the way we treat each other.

You see the old way wasn't working so it's on us to do

(Fabolous - Why would I Change?)

what we gotta do, to survive.

[2Pac - Verse 3]

And still I see no changes can't a brother get a little peace

It's war on the streets & the war in the Middle East

Instead of war on poverty they got a war on drugs so the police can bother me

And I ain't never did a crime I ain't have to do

But now I'm back with the blacks givin' it back to you

Don't let 'em jack you up, back you up, crack you up and pimp smack you up

You gotta learn to hold ya own

they get jealous when they see ya with ya mobile phone

But tell the cops they can't touch this

I don't trust this when they try to rush I bust this

That's the sound of my tool you say it ain't cool my mama didn't raise no fool

And as long as I stay black I gotta stay strapped & I never get to lay back

'Cause I always got to worry 'bout the pay backs

some buck that I roughed up way back comin' back after all these years

rat-a-tat-tat-tat-tat that's the way it is

[Fabolous - Chorus]

This game ain't change me, so don't let it change you

If you've been real with me, I'm still real with you

If you got love for me, I still got love for you

If you down for me, then I'm still down for you

If you don't fuck with me, then I don't fuck with you

If you ain't cool with me, then I ain't cool with you

If you won't ride with me, then I won't ride for you

This game ain't change me, don't let it change you

[Fabolous - Verse 4]

Why would I change when I get green like the Incredible Hulk?

I've chilled with the richest people to the ghettoest folks

Known a few ?? and met a few locs

Made a few comments, and said a few jokes

But it's gettin' me sick, someone prescribe me some medicine

Before the fame, the vibe was way better then

Some have even became rivals instead of friends

Only two become liable for settlements

I grew up watchin the bed ?? veterans

Now they hate to see a nigga drivin' the better Benz

That's why the clubs be, deprivin' to let us in

They know the family bring knives and barettas in
I'm thankful for being allowed, fans for being the crowd
How could my head be in the clouds?
It's strange, what the fame'll do
But you know what? The only one who seen the change from the fame is you

[Fabolous - Chorus]

This game ain't change me, so don't let it change you
If you've been real with me, I'm still real with you
If you got love for me, I still got love for you
If you down for me, then I'm still down for you
If you don't fuck with me, then I don't fuck with you
If you ain't cool with me, then I ain't cool with you
If you won't ride with me, then I won't ride for you
This game ain't change me, don't let it change you

[Fabolous - Outro]

I'm the same nigga man
Same nigga, that ridin' with you
Niggas that's fuckin' with you
I'm still fuckin' with you niggas
The same nigga, these hoe's ain't like
Now they on my dick right? Haha... shit is crazy
Don't let this game change you nigga...
