

Flipmode

Fabulous

Flipmode, Flipmode, (let's go)
Knock it down, fade away, yeah
Knock it down, fade away
Flipmode, yeah, yeah, yeah, yeah
Flipmode, yeah, yeah, yeah, yeah, yeah

Shooter, shooter, knock it down, fade away
Shooter, shooter, knock it down, fade away
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Told her bust it, bust it, Flipmode
Told her bust it, bust it, Flipmode
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Shooter, shooter, knock it down, fade away
Shooter, shooter, knock it down, fade away

Faded off the woohah
You know I'm faded off the woohah
Bustin', bustin' out the trap
In the coupe doing laps
Got me a Dominican mami
Folding paper, origami
Ragger, ragger on sight
Spliff Star off the hype
Ain't got no time to fall in love
Ain't no time to fall in love
When the push come to shove
Money all I ever love
Gary Payton with the glove
O.J Simpson with the glove
Guilty pleasure, pick your poison
We got all of the above
Shooter, shooters on deck
Still banging with the set
30 thousand in the P.J
Got my niggas out the Jecks
Surfin' through the village, bust it, bust it up
Diamonds on me flooded bust down
Ever since she let me bust it, bust it up
She be wanting me to cuff now, ghost

Shooter, shooter, knock it down, fade away
Shooter, shooter, knock it down, fade away
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Told her bust it, bust it, Flipmode
Told her bust it, bust it, Flipmode
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Shooter, shooter, knock it down, fade away
Shooter, shooter, knock it down, fade away

Told shawty, make it clap
Shawty, just make it clap
All the homies got a 30 up
My warriors gotta curry up
Somethin' foreign when I'm skurtin' up (Skurt)
If they coming, better hurry up
Wrist game, I'ma stir it up (Whip it)
'Till the white McFlurry up
Mickey D's, I'm lovin' it
Super bad, McLovin' it
Slide up in it with the oven mitt
Now she calling out my government
Freddy Kruger with the glove
Michael Jackson with the glove
Keep it lit and get the money
I do both of the above
I've been juggling since flip phones
Bedrocking like Flinstones
Doing numbers in my zip code
Squad with it on flipmode
Shawty 'bout to let her clip go
Busta, busta, busta, bust that
A big butt and a smile
I know they told me, never trust that
But I

Shooter, shooter, knock it down, fade away
Shooter, shooter, knock it down, fade away
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Told her bust it, bust it, Flipmode
Told her bust it, bust it, Flipmode
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Shooter, shooter, knock it down, fade away
Shooter, shooter, knock it down, fade away

Yeah, yeah, go 'head with it
Baby, bust it open out the roof
Yeah, this car brand new, give it to you
Now she actin' brand new
Flipmode, I got a new bitch
Flipmode, all the money I get
Flipmode, you don't ball like this, hell no
My whole team lit, it's simple
What you want? Just tell me what you want, baby
What you doin'? Let's just start with foreplay
When I perform, your shaking make the bed break
Until the the morning
Your lips turn me on, baby
Smoke one with me, let's get faded
Hit the showers, heat it up, still wide awake
I don't even know, said she got a man at home
I love her anyway
And if that nigga say he love you like he do
Where your wedding ring?

Shooter, shooter, knock it down, fade away
Shooter, shooter, knock it down, fade away
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK

Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Told her bust it, bust it, Flipmode
Told her bust it, bust it, Flipmode
Told her bust it, bust it, bust it, bust it
Bust it, bust it, bust it like a AK
Shooter, shooter, knock it down, fade away
Shooter, shooter, knock it down, fade away
