

Really Tho

Fabulous

Yeah

I'm just speaking for myself

And the real niggas like me

If you ain't with a real nigga, then who are you with?

How you ride doesn't matter what kind of car you get?

I love my real bitches, fuck the fake hoes

I be asking God why he even make those?

Real real real re really tho

Real real real re really tho

Real real real re really tho

Real real real re really tho

Me and my niggas talkin' shit at the pool table

Wanna know who sat these nerds at the cool table?

Who let these unimportant hoes in the VIP?

Who let these little niggas in? I need to see ID

Real real real re really tho

These lames never paid attention so they really owe

I know some R&B bitches that can really blow

Turkey burgers and hot chocolate, really ho?

When shit get real now then it's "I'm just playin'"

When people hating now then it's "I'm just sayin'"

Fake this and fake that got you feeling yourself?

You can't be real with me, you ain't even real with yourself

Me and some fly girls chillin' where the bar is

Wanna know when y'all gon' stop treasuring garbage?

When they gon' get they own and stop minding our biz?

When these Bride of Chucky Dolls became Barbies?

Real re re re I'm really certain

If everybody a boss, then who's really workin'?

If they say they got that raw shit, that really mean

Them white squares is stepped on, Billie Jean

Rather a real enemy than a fake friend

Rather know for sure, than be mistaken

One thing you should know, when you play the game

Lies always change, the truth stay the same
