

First off I'm a mother fucking
G.en.er.al word to the cake shells
In this chopper will pop em
Make it sound like a hellichoppers land on top of this bitch
You want this whopper come and get your beef nigga
Im not a boxer I'm be brief nigga
Were on top I will put you underneath niggas
We will take your whole tribe and I'm the chief nigga
Your highest title numero uno
Im not that litte pregnant white girl but junio
You no anything within a nigga reach
My dogs will bite you anf guess who the nigga leash
I was once tols by my nigga meach
You feed a sucka he just grow to be a bigger leach
So even time you hear mine get your hand to your hairline

Yeah I'm in this bitch
Sending champagne to my enemys
Salute or shootyou choose motherfucker
Bow down till your head touch your shoes motherfucker
Sulute me sulute me sulute me sulute me
Salute or shootyou choose motherfucker
Bow down till your head touch your shoes motherfucker

Now just say Hello to the Captain
And I stay away from magnets cause the man knows what I'm packin
Bet your brains on your shirt will look like jello on a napkin
And I promise my fellows will put your fellow on a canvas
Call me wezzy f baby young money on betta get layin
Fabe I gotem
And watch me get em
And I do them
Or I did them
And theres two within my denin
And I shoot everything but woman and kids
Bitch niggas stop bitchin it's just how it is
Now watch me let that sexy nina kiss you by my ribs
You wont be satisfied till I send a missle by your crib
Shoot you in the stomach now your pissin out your ears
Hollygrove all day bodys in the hallway
And if you come searchin then your finding out tha hard way
No matter where your from you better recognize a real
Nigga when you see one
Salute me

Yeah I'm in this bitch
Sending champagne to my enemys
Salute or shootyou choose motherfucker
Bow down till your head touch your shoes motherfucker
Sulute me sulute me sulute me sulute me
Salute or shootyou choose motherfucker
Bow down till your head touch your shoes motherfucker
