Fabulous

Lil' fish

Keep a bad bitch talkin' to me nicely  
Only fuck and spend some hoes if they pricey  
Make a movie on that ho, that's a Spike Lee  
Feel like Fabo', think she like me  
Bitch bad, bitch bad  
Got her riding' on that dick since flat  
Switchin' lanes, spin past  
Gimme brain, bitch bad

Yuh

The last nigga you was fuckin' was a wannabe  
I know you would fell in love when you start fuckin' me  
Count a milli all alone, don't want no company  
Bitch, I'm a boss, you gotta come to me  
And shawty wanna live that fast life  
I'm fuckin' with you, better ask right  
Put some shit up on your wrist, look like a flashlight  
So when I want some pussy please don't make me ask twice  
Give me head on a yacht  
In the air, on the jet, give me that twat  
Ain't got not time to spend, but I been spendin' a lot  
No selfies in my bathroom, you makin' it hot

Keep a bad bitch talkin' to me nicely  
Only fuck and spend some hoes if they pricey  
Make a movie on that ho, that's a Spike Lee  
Feel like Fabo', think she like me  
Bitch bad, bitch bad  
Got her riding' on that dick since flat  
Switchin' lanes, spin past  
Gimme brain, bitch bad

Yeah, I'm just a sniper with a rifle, baby  
You out here lookin' like the type of girl you wife up, baby  
I got a trip to Paris for a couple nights with baby  
She gotta make it stand taller than an Eiffel, baby  
Had you flexin' on your ex, bein' spiteful, baby  
Fuck with me, I keep them goofies out your side, baby  
I just spot the back-stabbers 'fore they pick the knife up, baby  
Yeah, she say, "Talk to me twice, yeah  
Or don't talk to me twice, no, no"  
But they still gon' fall through  
Like they walked on some ice  
They know the fuckin' vibes

Keep a bad bitch talkin' to me nicely  
Only fuck and spend some hoes if they pricey  
Make a movie on that ho, that's a Spike Lee  
Feel like Fabo', think she like me  
Bitch bad, bitch bad  
Got her riding' on that dick since flat  
Switchin' lanes, spin past  
Gimme brain, bitch bad

Whip fast, zip past

Give me neck up in that foreign, whiplash  
Trips cash, wrist glass  
That designer get a wave, drip, splash  
Fire mama keep it spicy, yeah  
So cool, I keep it icy, yeah  
Livin' fastly, never feisty, yeah  
Keep it shiny, never shiesty, yeah

Keep a bad bitch talkin' to me nicely  
Only fuck and spend some hoes if they pricey  
Make a movie on that ho, that's a Spike Lee  
Feel like Fabo', think she like me  
Bitch bad, bitch bad  
Got her riding' on that dick since flat
