Hey-hey-hey yo (3x) F-A-B Hey-hey-hey yo (2x) F-A-B Hey-hey-hey yo (2x)

Ain't no tellin' what this hypno will do to me
I'm feelin' like I can do what I want now
Dip-low immunity
Shorty! just shake your hips slow and move wit me
Take a hit a this and sip slow and thoroughly
You're sneakin' out on your man, tip-toein' to the V
Cause I know you got him whipped though like wannabe
Let's put on a live strip show just you and me
But girl, I'm lookin' at them lips though like who is he?
They ain't never seen a whip, clothes or jewelry
So when I ask "you wanna leave the zip-code?"
Say "sure" and be me

But this is my party Stroll by if you want to Or ya'll can stay home But why would you want to?

We gon' party, till we laid in graves
Sweat out our doobie braids and waves
Then scream "hey-hey-hey yo"
That groupie made her wait
Cause when she seen the whips and chains
She started talking 'bout she ready to be made a slave, c'mon

This is my party
So get fly if you want to
Get high if you want to cause I know you like to
Put your hands up as high as you want to
And if it feels good scream "hey-hey-hey yo"
