

## Wishing Remix

Fabulous

Told her save my number, I'm the big dipper  
Got her wishin' on a star  
Save my number, I'm the big tipper  
Got her blowin' kisses from the bar  
I wish you could stay but when you walk away  
You look delicious from far  
She roll up on me  
Then they get lit  
Girl you my swisher cigar  
Shawty rather lay by the pool side  
Than stay by a fool's side  
Been sleepin' on yourself too long  
Time to flip the pillow over to the cool side

Ayo, hold on, wait, wait, wait, Fab, Fab, Fab, easy Fab
