Only U

Fabrizio Faniello

You've got that something special, And presses all I got you, Meet the sweetness and true companion, That makes me act like a fool.

You are the one I'm yearning, In every thing that you do, But there is something inside as furling It almost breaks me in two.

Ohhhhhhh can't you see, what's happened to me, Passions from night in deep in me, Where's harmony? What's jealousy? Who's got the key?

RIT: Only you, whose loving me true, Can tell me whyyyyyyy? I'm feeling blue, if this love isn't true, You can denyyyyyyy. What would I do, if there's someone new, Don't let me cryyyyyyyyy, I'm bagging to you, what else shell I do? Give me a tryyyyyyyyy.

I wanna stay around you, on every day, I bless the day I found you, But what's the price after pay?

Ohhhhhhh can't you see, what's happened to me, Passions from night in deep in me, Where's harmony? What's jealousy? Who's got the key?

RIT: Only you, whose loving me true, Can tell me whyyyyyyy?...

Oooooooooooooooooooohh yeh! So tell me whyyyyyyyyyyy?

RIT: Only you...
