

Try to Be Better

Fabrizio Faniello

[Verse 1]

I pick up on your vibe
I see it in your eyes
Got more you can't deny
That something's changing
I feel you slipping away
A little every day
Watch you fade, what you say
Tell me you're not cheating

[Pre-Chorus]

Go and let it die
You need to take a step
Before you lose your mind

[Chorus]

Gotta try to be better
To be better every day
Gotta fight, fight for ever
Never ever let her slip away
But you let her go
Never, ever let her go
Don't go down that road
Gotta try to be better
To be better every day

[Verse 2]

I'm here to let you know
You need to take it slow
You got a gripped soul
Why you wanna mess it up?
No time for fantasies
Away from made believe
Can't you see what could be?

Get up, girl, is all you need

[Pre-Chorus]

You have to stay
And get your act together
Before it's too late

[Chorus]

Gotta try to be better
To be better every day
Gotta fight, fight for ever
Never ever let her slip away
But you let her go
Never, ever let her go
Don't go down that road
Gotta try to be better
To be better every day

[Bridge]

I pick up on your vibe
Pick up on your vibe
Step away

[Chorus]

Gotta try to be better
To be better every day
Gotta fight, fight for ever
Never ever let her slip away
But you let her go
Never, ever let her go
Don't go down that road
Gotta try to be better
To be better every day
[Outro]
I pick up on your vibe
