

You think that I'm invincible, it's going to pull me down
You think that I'm invisible, it's going to pull me down
It's somewhere I don't want to go, it's okay

You think I'm indestructible, it's going to pull me down
You think that I'm a miracle, it's going to pull me down
To somewhere I don't want to go, it's okay

I don't know what you want from me
But it's probably already gone
I don't care what you think of me
Your opinion means nothing at all

Don't say I'm okay, I'm not okay
Don't say I'm not trying, trying to do what's right
Now it's time to walk away

I don't know what you want from me
But it's probably already gone
I don't care what you think of me
Your opinion means nothing at all

Don't say I'm okay, I'm not okay
