Face to Face

It's been a while since I've been back
You barely noticed I was gone
You did a number on yourself
You let it go for far too long

I tried to take a break from this
Couldn't stay away too long
Thought I could make the best of it
I knew that I was wrong
Where do we belong?

So, you're lonely?
You've only just begun to feel
Much of anything
I'm sorry
I'm sorry I ever wanted
Anyone to know my name

You said that I'm the one to blame
I know that nothing's going to change
But if you're honest with yourself
You know that everyone's the same

I tried to take a break from this
Couldn't stay away too long
Thought I could make the best of it
I knew that I was wrong
Where do we belong?

So, you're lonely?
You've only just begun to feel
Much of anything
I'm sorry
I'm sorry I ever wanted
Anyone to know my name

So much for being clever
So much for thinking I could come back
To the same place where I started from
Now it's all gone
Tell me where you think that we belong

So, you're lonely?
You've only just begun to feel
Much of anything
I'm sorry
I'm sorry I ever wanted
Anyone to know my name

So, you're lonely?
You've only just begun to feel
Much of anything
I'm sorry
I'm sorry I ever wanted
Anyone to know my name
