

Broken anymore

Faces are Fiction

I play this song for the unknowns
Everything from my dead soul

I can't exist in this state
if you dunno your rights so go straight to the dark (im OK if t
hey're okay)
Exploited ones everywhere
your life is broken now, your life is falling down (im OK if th
ey're okay)

(I'm not) Broken anymore
Need to kill more hearts
(I'm not) Broken anymore (more)
need to try it now

without warning you'll burn out
if you dunno your rights so go straight to the dark (im OK if t
hey're okay)
Take part at your funeral
your life is broken now, your life is falling down (im OK if th
ey're okay)

Just try to open your eyes and see the truth
Here and now, diyng for nothing it's not for me
