

Secret  
without knowing anything  
I'll vanish and find it there.  
there's no reason  
you turned your back.  
there's no reason  
you turned your back.  
you left before I had known it.  
you just only run fast a little.

You sink down to the bottom of the sea.  
and your trace goes into my heart deeply  
And, I reborn with this song.  
When I see you again, you would say,  
"it's been a while"

In a low and cracking voice  
you would laugh and say  
forever

Still can't say anything  
I'll vanish and find it there.  
I seal up the reality where I can't return to.  
Then I'll keep walking  
someday, I'll prove it.

You sink down to the bottom of the sea.  
and your trace goes into my heart deeply  
And, I reborn with this song.  
When I see you again, you would say,  
"it's been a while"  
"it's been a while"
