

## Goodbye To Good Morning

Fact

I'm not waking you up right now  
It's raining and the light's still low  
I look at raindrops on a leaf  
Tears fall down in red

I tried to stay with you so long  
I don't know who you are now  
When I dove out the window  
It felt like I lost everything

Waiting for the light of day  
You told me to choose a way  
You tell me not to stop  
God gives me one more chance

Raindrops fallen on my palm become the shape of things to come  
In the end we all return right back to the soil
