los angels

Fact

Yellow sands
Into Los Angeles
Stones are falling down

Yellow sands
Into Los Angeles
Stones are falling down

Light is found
Blood is falling
I am falling

My broken life shattered
Yellow sands scattered
Another day alone
Lifelines connected
From the speaker to beyond your heart

Concentration lost
My heart is racing
No one will ever hear it
This life can't be ignored

Yellow sands
Into Los Angeles
Stones are falling down

Yellow sands
Into Los Angeles
Stones are falling down
