

Destroy Improve Rebuild

Faderhead

And I am not an oldschool conservationist
I wrote a bunch of hits, got the elites pissed
And I am not an oldschool conservationist
Got people talking shit, I got the scene pissed
And I am not an oldschool conservationist
I wrote a bunch of hits, got the elites pissed
And I am not an oldschool conservationist
Turn that shit up

Destroy - fuck it up
Improve - come on
Rebuild
Turn that shit up
Destroy - fuck it up
Improve - come on
Rebuild
Break it down

And I am not an oldschool conservationist
I did the opposite, got the elites pissed
And I am not an oldschool conservationist
I love my egotrip and get the scene pissed
And I am not an oldschool conservationist
I did the opposite, got the elites pissed
And I am not an oldschool conservationist
Turn that shit up
