

The Moth and the Fire

Faderhead

Where is my soul tonight?
Nothing to hold that's mine
Where is everything I was?
Where's my spirit?
Lost it all inside
Where is my soul tonight?
Swallowed up all my pride
Where is what I used to be?
Can't get with it
Chasing love denied

I'm still swirling like a moth
Drawn to fire
I'm still burning like a moth

You're the fire

Where is your heart tonight?
Why don't you think of mine?
Why has everything we were
Turned to sorrow?
Just can't make it right
Where is your heart tonight?
Will I be healed by time?
Why can't you be here with me?
Save tomorrow!
Why can't we just try?
