The Moon Is Mine

Fairground Attraction

No calls, no letters
Just fireweeds and stinging nettles
But the moon is mine
Yeah the moon is mine

Bad news in the papers
Bad news for this sinner's wages
But the moon is mine
Yeah the moon is mine

Skim a stone across the river
Throw all my money in the wishing well
I can't afford the cost of living
If the price is living hell

No-one to call me baby no no No valentines again But the moon is mine Yeah the moon is mine

No hook to hang my hat on No rooms for rent today But the moon is mine Yeah the moon is mine

Skim a stone across the river
Throw all my money in a wishing well
I can't afford the cost of living
If the price is living hell

I used to believe in a glittering prize But lately I've seen
That that's just a pillow of lies

And the moon is mine Yeah the moon is mine

That beautiful ball of cheese Is my personal property
The moon is mine
The moon is mine
Oh the moon is mine
The moon is... mine
