A new age dawns before my eyes, I can feel the ars divine With the sun above we'll build our holy land What a sight to see a future yet to come

Now we become as one with the feeling of heaven

A better age will surely rise, forget the pain, embrace the lig

"The sacred gift of innocence"

Darkness is down, alive we stand, Gods' children come redeem yo ur holy land

What a sight to see a future yet to come Now we become as one with the feeling of heaven

A better age will surely rise, forget the pain, embrace the lig

"The sacred gift of innocence"

Darkness is down, alive we stand, Gods' children come redeem yo ur holy land

Now we are close to a new world coming, blessed be the light in our souls

No more we'll follow the blind "And His lies won't be heard" We'll be the masters of our lives

Now we are close to a new world coming, blessed be the light in our souls

No more we'll follow the blind "And His lies won't be heard" We'll be the masters of our lives

Beyond the crystal gates under the sun will rise. Enlighten our time

Usher a better time. The future is thine
