

Forever

Faith Evans

Maybe you just think I'm caught up in the moment
But you could have the rest of my life if you want it

Whether it's wrong or it's right, I'm gonna be with you
Opinions have no influence once I've seen the truth
I don't mind it being me and you against the world
We faced opposition before, it only made us stronger

With every sunrise, love feels new
Faith has brought me closer to you
What we've become will never change
There's no need to try to make them see

There's no need to try to make them see
Who are they to define what's forever?
Incredible trust, they envy our love
They can't see (They can't see)
This is beyond the both of us, oh yeah

Communication is strong, it's at an all-time high
Took a while to get here but it was worth the try
We given up, just imagine where we would be
We took a chance on love and found destiny

With every sunrise, love feels new (Love feels new)
Faith has brought me closer to you
What we've become will never change (It will never change)
There's no need to try to make them see

There's no need to try to make them see
Who are they to define what's forever?
Incredible trust, they envy our love (Envy our love)
They can't see (They can't see, yeah yeah)
This is beyond the both of us, oh yeah

Oh oh oh yeah, yeah
Baby, I like waking up next to you
(I like waking up next to you)
And there ain't nothing that I'd rather do
(And there ain't nothing that I'd rather do)
Wanna spend the rest of my life with you
(Wanna spend the rest of my life with you)
Maybe you just think I'm caught up in the moment
But you could have the rest of my life if you want it
(There's no need to try)

There's no need to try to make them see
Who are they to define what's forever?
(Who are they to define what's forever?)
Incredible trust, they envy our love
They can't see (They can't see)
This is beyond the both of us, oh yeah
There's no need to try to make them see
Who are they to define what's forever?
(Oh, what's forever)
Incredible trust, they envy our love
They can't see (Oh no, baby)

This is beyond the both of us, oh yeah

Oh yeah, oh yeah, oh yeah

Oh yeah, oh yeah

Oh yeah yeah

Oh yeah, oh yeah, oh yeah

Oh yeah, oh yeah, oh yeah, ooh
