

Never Gonna Let You Go

Faith Evans

If I had one wish, boy, I'd wish you next to me
And it could be in summer, fall or spring, boy
'Cause you make my heart sing
I wanna give my heart, my soul, my love to you, oh baby, yeah
'Cause everyday I'm not with you, I'm missing you like crazy
I need for you to

I need you to love me, hold me, touch me
Down deep in my soul, never let it go
Of the love we share, no one compares to you
I'll never let you go 'cause I really love you so, oh I
I'll never let you go, oh no

You must know the truth, boy, I'm nothing without you
It's funny how I know what people mean, boy
When it's too good to be true because you give me joy
Good love, good times, such happiness, oh yeah
And everyday I thank the Lord for you, I feel so blessed
I need for you to

I need you to love me, hold me, touch me
Down deep in my soul, never let it go
Of the love we share, no one compares to you
I'll never let you go, 'cause I really love you so, oh I
I'll never let you go, oh no, oh no

If you only knew what you really do
Ain't never had no one that does it quite like you do
You could spend half a lifetime trying to find one like you
That's why I am so glad I found you, baby
I wished upon a star and it came true
Darling, I need for you to

I need you to love me, hold me, touch me
Down deep in my soul, never let it go
Of the love we share, no one compares to you
I'll never let you go 'cause I really love you so, oh I
I'll never let you go, oh no, oh no
