

I Need You

Faith Hill

I wanna drink that shot of whiskey
I wanna smoke that cigarette
I wanna smell that sweet addiction on my breathe
I wanna ride across West Virginia in the back seat of a Cadillac
You know some cowboys like me go out like that
So I need you
Like a needle needs a vein
Like my uncle Joe in Oklahoma needs a rain
And I need you
Like a lighthouse on a coast
Like the father and the son need the Holy Ghost
I need you

I wanna get lost in some corner booth, Cantina Mexico
I wanna dance to the static of an AM radio
I wanna wrap the moon around us, lay beside you skin on skin
Make love til the sun comes up, til the sun goes down again
Cause I need you

Like a needle needs a vein
Like my uncle Joe in Oklahoma needs a rain
I need you
Like a lighthouse on a coast
Like the father and the son need the Holy Ghost
I need you, OOH I need you

I wanna drink that shot of whiskey
I wanna smoke that cigarette
You know some cowboys like me go out like that
So I need you, wohh I need you
I need you I need you I need you, I nee-ed you
