If I'm Not in Love

If I'm not in love with you What is this I'm going through, tonight And if my heart is lying then What should I believe in Why do I go crazy Everytime I think about you baby Why else do I want you like I do If I'm not in love with you

And if I don't need your touch Why do I miss you so much, tonight If it's just infatuation Why is my heart aching To hold you forever Give a part of me I thought I'd never Give again to someone I could lose If I'm not in love with you

Oh why in every fantasy Do I feel your arms embracing me Like lovers lost in sweet desire And why in dreams do I surrender Like a little baby How do I explain this feeling Someone tell me

If I'm not in love with you What is this I'm going through, tonight And if this heart is lying then What should I believe in Why do I go crazy Every time I think about you baby Why else do I want you like I do If I'm not in love with you
