

If I Should Fall Behind

Faith Hill

We said we'd walk together baby come what may
That come the twilight should we lose our way **F#m**
If as we're walking a hand should slip free **D A**
I'll wait for you **F#m**
And should I fall behind **D**
Wait for me **A**

We swore we'd travel darlin side by side
We'd help each other stay in stride
But each lover's steps fall so differently
So I'll wait for you
And should I fall behind
Wait for me

Now everyone dreams of a love lasting and true **D A**
But you and I know what this world can do **D F#m**
So lets make our steps clear that the other may see **D A**
And I'll wait for you **F#m**
Should I fall behind **D**
Wait for me **A**

A
Now there's a beautiful river in the valley ahead **F#m**
And there neath the oak's bough, soon we will wed **D**
Should we lose each other **A**
In the shadow of the evening trees **F#m**
I will wait for you **D A**
And should I fall behind wait for me **F#m**
Darlin I will wait for you **D**
Should I fall behind **A F#m D**
Wait for me
