It's cold and it's Smooth and it's A hard shade of white And everybody needs to lick the surface clean But it never tastes better White blooms to white and freezes white again Close it before something crawls in Commit it, leave it, get away - we always Drop our good side Being good gets you stuff Being stuff gets you good Good stuf gets you being And wheelin' and dealin' and squealin' Shit lives forever They have no legs, but chase us anyway Wipe the shadow of your best friend Gave birth to something we don't want to be We drop our good side You can't kill it Eat is just as deep as you can fuck it So cough it up or go down And there's only one thing that separates A man... Shit lives forever We'll retire with a turd on our lips Under a pair of knowing eyes I'm gonna take a few down with me And drop my good side You can't kill it Take it from our drummer, "Puff" Being good it gets you stuff
