

Falling To Pieces

Faith No More

A **G**
Back and forth, I sway with the wind

A **G**
Resolution slips away again

A **G**
Right through my fingers, back into my heart

A
Where it's out of reach and it's in the dark

D
Sometimes I think I'm blind
Or I may be just paralyzed

A **G**
Because the plot thickens every day

A **G**
And the pieces of my puzzle keep crumblin' away

A
But I know, there's a picture beneath

E D E D
Indecision clouds my vision

E D
No one listens...

E G
Because I'm some where

A D E
R: In between

G A D E
My love and my agony

G A D E
You see, I'm somewhere in between

G
My life is falling to pieces

A
Somebody put me together

Layin' face down on the ground
My fingers in my ears to block the sound
My eyes shut tight to avoid the sight
Anticipating the end, losing the will to fight

Droplets of "yes" and "no"
In an ocean of "maybe"

From the bottom, it looks like a steep incline
From the top, another downhill slope of mine
But I know, the equilibrium's there
