## **Faith No More**

I can wait to love in heaven I can wait for you Far away, I'll treat you better Better than down here Cuz I done wrong And I'm a little afraid I ain't too strong And this ain't easy to say: Take this bottle Take this bottle And just walk away - the both of you And let me feel the pain - I've done to you I can hope we'll be together With a better roof over our heads I can hope the stormy weather It passes on - it passes on -But I've hoped too long Hoped for me to change That hope is gone So listen to what I say: Take this bottle
