

Dollars And Dimes

Faithless

These dollars and dimes, dollars and dimes
These dollars and dimes, dollars and dimes

Sold my soul too many times (These dollars and dimes, dollars and dimes, these dollars and dimes, dollars and dimes)

Paid the toll by losing my mind (These dollars and dimes, dollars and dimes, these dollars and dimes, dollars and dimes)

But there's a new sound from a new crowd (These dollars and dimes, dollars and dimes, these dollars and dimes, dollars and dimes)

It's not all about (These dollars and dimes, dollars and dimes)

These dollars and dimes, these dollars and dimes
These dollars and dimes, these dollars and dimes

These dollars and dimes, dollars and dimes
These dollars and dimes, dollars and dimes

I wanna get the girl, I wanna see the world (Dollars and dimes, dollars and dimes, dollars and dimes, these dollars and dimes)

Don't wanna live my life chasing empty highs (Dollars and dimes, dollars and dimes, dollars and dimes, these dollars and dimes)

I wanna get the girl, I wanna see the world (Dollars and dimes, dollars and dimes, dollars and dimes, these dollars and dimes)

I wanna get the girl, I wanna see the world (Dollars and dimes, dollars and dimes, dollars and dimes, these dollars and dimes)

I wanna get the girl (These dollars and dimes, dollars and dimes)

Dollars and dimes, these dollars and dimes
Dollars and dimes, these dollars and dimes

What do we know of true? The lies
I've been wonderin', baby, have we missed the signs?
Has the happiness been disguised as dollars and dimes?
These dollars and dimes

Dollars and dimes, these dollars and dimes
Dollars and dimes, these dollars and dimes
Dollars and dimes, these dollars and dimes
Dollars and dimes, these dollars and dimes

Dollars and dimes can't hold you at night
I spend all my days to finally find

You can't buy love with dollars and dimes
