

Synthesizer

Faithless

I like the way you move
I like the way you dress and undress too
I like to think that
What touches me, it touches you

I love the way you love
And how you fuck away the pain
I love the way you dance
As if you're just passing through

But

However much I love you, babe
However much I love you, baby
I love my synthesizer more
I love my synthesizer more
I love my synthesizer more
I love my synthesizer more
I love my synthesizer more
I love my synthesizer more
I love my synthesizer more
I love my synthesizer more

My synthesizer
My synthesizer
My synthesizer
My synthesizer
My synthesizer
My synthesizer
My synthesizer
My synthesizer

I like the way you touch
You wrap my heart in gold
Love when you come to call
Like a cat in from the cold

But

However much I love you, babe
However much I love you, baby
I love my synthesizer more
I love my synthesizer more
I love my synthesizer more
I love my synthesizer more
I love my synthesizer more
I love my synth-

More

I love you, baby
(I love my)
Everything about you
I don't know anyone like you
I don't care about anyone else
I love you, baby

(I love my)

(I love my)
(I love my)
