

This Feeling

Faithless

And I feel good
And you feel good
I knew I would
It's amazing
No, I have no skin
I feel everythin'
It's amazing
It's the best thing
It's life changin'
This feeling
This feeling

Feels like bein' free
Feels like bein' thirteen
Water fights and summer on the estate
Back when the whole universe was just me and my mates
Hopin' for a new adventure
Everytime our phones would vibrate
Feels like summertime sex
Feels like bein' eighteen
And gettin' that "my parents ain't home" text
And you get home late with a smile on your face
Feels like freedom
Feels like friendship bein' built up
Feels like the world hasn't forgotten the meanin' of true love
Calling strangers bruv
(This feeling)
Feels like (this feeling)
Feeling good
Feeling good

I feel new
Do you feel new?
I hope you do
Shit's amazing
(Feeling good)
I feel sweet
Do you feel sweet?
It's amazing
(Feels like feeling good)
It's the best thing
It's life-changing
