

# Alone Together

Fall Out Boy

I don't know where you're going  
But do you got room for one more troubled soul  
I don't know where I'm going  
But I don't think I'm coming home and I'll say  
"I'll check in tomorrow if I don't wake up dead"  
This is the road to ruin  
And we started at the end

Say it, let's be alone together  
We could stay young forever  
Scream it from the top of your lungs  
Say it, let's be alone together  
We could stay young forever  
We'll stay young

Cut me off, I lost my track  
It's not my fault I'm a maniac  
It's not funny anymore, no it's not  
My heart is like a stallion  
They love it more when it's broken  
Do you wanna feel beautiful  
Do you wanna?

I'm outside the door, invite me in  
So we can go back and play pretend  
I'm on deck now, I'm up next  
Tonight, I'm hired to burn the check

I don't know where you're going  
But do you got room for one more troubled soul  
I don't know where I'm going  
But I don't think I'm coming home and I'll say  
"I'll check in tomorrow if I don't wake up dead"  
This is the road to ruin  
And we started at the end

Say it, let's be alone together  
We could stay young forever  
Scream it from the top of your lungs  
Say it, let's be alone together  
We could stay young forever  
We'll stay young
