

# Centuries

Fall Out Boy

Some legends are told  
Some turn to dust or to gold  
But you will remember me, remember me for centuries  
And just one mistake, is all it will take.  
We'll go down in history  
Remember me for centuries

Remember me for centuries

Mummified my teenage dreams  
No it's nothing wrong with me  
The kids are all wrong, the story's all off  
Heavy metal broke my heart  
Come on, come on and let me in  
I'm bruises on your thighs like my fingerprints  
This is supposed to match  
The darkness that you would felt  
I never meant for you to fix yourself

Some legends are told  
Some turn to dust or to gold  
But you will remember me, remember me for centuries  
And just one mistake, is all it will take  
We'll go down in history  
Remember me for centuries

Remember me for centuries

I can't stop 'till the whole world knows my name  
Cause I was only born inside my dreams  
Until you die for me, as long as there's a light  
My shadow's over you  
Cause I am the opposite of amnesia  
And you're my cherry blossom  
You're about to bloom  
You look so pretty, but you're gone so soon

Some legends are told  
Some turn to dust or to gold  
But you will remember me, remember me  
for centuries  
And just one mistake, is all it will take  
We'll go down in history  
Remember me for centuries

Remember me for centuries

We've been here forever  
And here's the frozen proof  
I could scream forever  
We are the poisoned youth

Some legends are told  
Some turn to dust or to gold  
But you will remember me, remember me for centuries  
And just one mistake, is all it will take  
We'll go down in history

Remember me for centuries

We'll go down in history  
Remember me for centuries.
