

Church

Fall Out Boy

If you were church
I'd get on my knees
Confess my love
I'd know where to be
My sanctuary
You're holy to me
If you were church
I'd get on my knees x4

Take the pain
Make it billboard big
than swallow it for me
A time capsule for the future
Trust me that's what I will be
oh the things that you do
In the name of what you love
You are doomed but just enough x2

If you were church
I'd get on my knees
Confess my love
I'd know where to be
My sanctuary
You're holy to me
If you were church
I'd get on my knees x4

I love the world
But I just don't love the way it makes me feel
Got a few more fake friends
And it's getting hard to know what's real
And if death is the last appointment then we're all just sitting in the waiting room
I am just a human trying to avoid certain doom

If you were church
I'd get on my knees
Confess my love
I'd know where to be
My sanctuary
You're holy to me
If you were church
I'd get on my knees x5

If you were church
I'd get on my knees
Confess my love
I'd know where to be
My sanctuary
You're holy to me
If you were church
I'd get on my knees
