

# From Now On We Are Enemies

Fall Out Boy

I just want to be better than your  
Your head's only medicine  
I just want to be better than your  
Your head's only medicine  
A downward spiral just a pirouette  
G-g-getting worse till there's n-n-nothing left  
What good comes of something when I'm  
just the ghost of nothing (nothing)?

I'm just the man on the balcony singing:  
"Nobody will ever remember me"  
Rejoice, rejoice and fall to your knees  
(for a)  
Lunatic of a god or a god of a lunatic?  
Oh, their faces are dancing  
They're dancing till  
Till they can't stand it  
A composer but never composed  
Singing the symphonies of the overdosed  
A composer but never composed  
Singing:  
"I only want what I can't have"  
"I only want what I can't have"

Heralded as a king before I had a birthday  
With double (double) digits (digits)  
Fit the crown to my head but I was only a kid (yeah I was only a kid)  
Yeah I was only a kid  
(Hey)  
I'm just the man on the balcony singing:  
"Nobody will ever remember me"  
Rejoice, rejoice and fall to your knees  
(Oah)  
Lunatic of a god or a god of a lunatic?  
Oh, their faces are dancing  
They're dancing till  
Till they can't stand it  
A composer but never composed  
Singing the symphonies of the overdosed  
A composer but never composed  
Singing:  
"I only want what I can't have" [x3]  
"I only want what I can't, I can't have"

I just want to be better than your  
Your head's only medicine  
I just want to be better than your

I'm just the man on the balcony singing:
