

I Don't Care

Fall Out Boy

F#mi **Hmi A**
1. Say my name and his in the same breath

F#mi **Hmi A**
I dare you to say they taste the same

D C# Hmi A
Let the leaves fall of in the summer

F#mi Hmi A
And let December glow feel flames

2. Brace myself and let go
Start it over again in Mexico
These friends, they don't love you
They just love the hotel suites, now

F#mi A D Hmi
R: I don't care what you think as long as it's about me

D C# F#mi
The best of us can find happiness in misery

F#mi A D Hmi
I don't care what you think as long as it's about me

D C# F#mi
The best of us can find happiness in misery
