

# Miss Missing You

Fall Out Boy

Don't panic  
No not yet  
I know I'm the one you want to forget  
Cue all the love to leave my heart  
It's time for me to fall apart

Now you're gone  
But I'll be okay  
Your hot whiskey eyes  
Have fanned the flames  
Maybe I'll burn a little brighter tonight  
Let the fire breathe me back to life

Baby, you were my picket fence  
I miss missing you now and then  
Chlorine kissed summer skin  
I miss missing you now and then  
Sometimes before it gets better  
The darkness gets bigger  
The person that you'd take a bullet for is behind the trigger  
Oh  
We're fading fast  
I miss missing you now and then

Making eyes at this husk around my heart  
I see through you when we're sitting in the dark  
So give me your filth  
Make it rough  
Let me let me trash your love

I will sing to you every day  
If it will take away the pain  
Oh and I've heard you got it, got it so bad  
'Cause I am the best you'll never have

Baby, you were my picket fence  
I miss missing you now and then  
Chlorine kissed summer skin  
I miss missing you now and then  
Sometimes before it gets better  
The darkness gets bigger  
The person that you'd take a bullet for is behind the trigger  
Oh  
We're fading fast  
I miss missing you now and then

Oh  
Now and then  
Now and then  
Now and then

Baby, you were my picket fence  
I miss missing you now and then.
