

# The Kids Aren't Alright

Fall Out Boy

Stuck in the jetwash  
Bad trip I couldn't get off  
And maybe I bit off more than I could chew  
And overhead of the aqua blue

Fall to your knees bring on the rapture  
Blessed be the boys time can't capture  
On film or between the sheets  
I always fall from your window to the pitch black streets

And with the black banners raised as the crooked smiles fade  
Former heroes who quit too late  
Just wanna fill up the trophy case again

And in the end  
I'd do it all again  
I think you're my best friend  
Don't you know that the kids aren't all, kids aren't alright  
I'll be yours  
When it rains it pours  
Stay thirsty like before  
Don't you know that the kids aren't all, kids aren't alright

I'm not passive but aggressive  
Take note, it's not impressive  
Empty your sadness  
Like you're dumping your purse on my bedroom floor  
We put your curse in reverse

And it's our time now if you want it to be  
More the war like the carnival bears set free  
And your love is anemic and I can't believe  
That you couldn't see it coming from me

And I still feel that rush in my veins  
It twists my head just a bit too thin  
And the people I see in those old photographs I've seen are dead

And in the end  
I'd do it all again  
I think you're my best friend  
Don't you know that the kids aren't all, kids aren't alright  
I'll be yours  
When it rains it pours  
Stay thirsty like before  
Don't you know that the kids aren't all, kids aren't alright

And sometimes I just want to sit around and gaze at my shoes  
And let your dirty sadness fill me up just like a balloon

And in the end  
I'd do it all again  
I think you're my best friend  
Don't you know that the kids aren't all, kids aren't alright  
I'll be yours  
When it rains it pours  
Stay thirsty like before

Don't you know that the kids aren't all, kids aren't alright
