Wrong Side of Paradise

You say "please don't ever change" But you don't like me the way The way that I am The way that I am

Champagne and problems, toast I will never solve them, oh I think I woke up on The wrong side of paradise

I'm trying to kick the habit But when you're not around I just can't stand it Oh yeah, I think I woke up on The wrong side of paradise

The wrong side of paradise The wrong side of paradise I think I woke up on The wrong side of paradise

The wrong side of paradise The wrong side of paradise I think I woke up on The wrong side of paradise **Fall Out Boy**
