

Paparazzi

Falling in Reverse

S-E-L-L M-Y S-O-U-L

Yo, here's another song for the kids to sing to
With the same four chords, just another hit single
And your radio station plays the same three tracks
That's nine total minutes we could never get back

So get up, get up
Come on, come one
We don't want to hear the same old song
So delete your playlist
(It ain't the greatest)
Let's start something contagious

I guess we're desperate... for a radio hit

Paparazzi, please snapshot me
Cause I'm just a bad boy meant for the tabloid
I need my big break before it's too late
Cause I'm a little bit shameless, just wanna be famous

Now we're steady making process and it's hard to stop it
We got our t-shirts in the walls of Hot Topic
Warped Tour famous, with the fans devotion
Walking towards our signings like we're in slow motion

So get up, get up
Come on, come one
We finally got what we fucking want
So delete your playlist
(It ain't the greatest)
Let's start something contagious

I guess we're desperate... for a radio hit

Paparazzi, please snapshot me
Cause I'm just a bad boy meant for the tabloid
I need my big break before it's too late
Cause I'm a little bit shameless, just wanna be famous

The future sucks as we know
We watch reality shows
We never leave our homes
We're glued to our phones
The future's making me sick
We post the same damn pics
What the fuck's a selfie stick?
We're always stalking shit
Ha-ha-ha-ha, fuck you!

I'm shameless for you
I want to be famous
I'm shameless for you
I want to be famous

Paparazzi, please snapshot me
Cause I'm just a bad boy meant for the tabloid

I need my big break before it's too late
Cause I'm a little bit shameless, just wanna be famous
Just wanna be famous, yeah

Thank you! Thank you very much!
