

Callous always builds from pain  
Shelter only protects from the rain

Give me a reason  
Give me a reason not to fail  
I'm trying to claw my way up  
From despair  
If I drown, if I drown  
Trying to come up for air  
Tell them I fought  
But only made it halfway there

Hollowed out  
From within  
Breach the surface  
Drowning me  
All around  
Something calls  
Follow it down again  
I cannot give in  
This is treason, this is treason  
This is treason  
This is not how we're meant to live

Give me a reason  
Give me a reason not to fail  
I'm trying to claw my way up  
From despair  
If I drown, if I drown  
Trying to come up for air  
Tell them I fought  
But only made it halfway there
