

# Slave Race

Fallujah

Implantation of the mass  
Infrastructure of subjugated slave race  
Illuminated  
Ones  
Master race worship

Spitting tongues to those with facile  
Minds  
Breeding a, new generation through indoctrination  
Myriad of  
Fabrications supplemented with a cure  
Glorified sacrifice, to anoint the  
Incarnation of a god

For the service of the bloodline  
Martyrs breed as  
Fodder  
Pure magnificence entwine

Curate defiant blood  
Prolific seminal  
Spawn  
Curate defiant blood  
Prolific seminal spawn

Ascend to greatness will  
The serpent son  
Enlightenment for a suspicious dawn  
Protect a covenant of  
Which I hold  
To follow in the image of thy lord

Of holy structure to set condemned souls free

Father how have I set  
Thy presence on earth's scorched surface
