

Big Bite

Fallulah

Are you hungry for a candy?
Don't be starving, what a waste
Everything you want is for you to take
If you wanna go throw you keys in the lake

Oh you can do what you want
Stand out happily at the sun
Everything you want is for you to take
Take take take time is awake

Don't you like it? Don't you like it?
Don't you wanna take a big bite of it?

Bite
Eat it like a cookie before it crumbles
Bite
Takes you high and let you tumble
Big bite ooh
Lick your lips and hit the rumble
You make gold, you get gold
Tag tag that is the way

Are you hungry for a lot?
Feel your planking fill it up
Everything you want is for you to take
If you wanna bounce take your feet off the break

Oh we can do what we want
Head directly for the fun
Everything you want is for you to take
Take take take time is awake

Don't you love it? Don't you love it?
Don't you wanna take a big bite of it?

Bite
Eat it like a cookie before it crumbles
Bite
Takes you high and let you tumble
Big bite ooh
Lick your lips and hit the rumble
You make gold, you get gold
Tag tag that is the way

Don't you like it? Don't you like it?
Don't you wanna take a big bite of it?

Don't you love it? Don't you love it?
Don't you wanna take a big bite of it?
Don't you wanna take a big bite of it?

Bite
Eat it like a cookie before it crumbles
Bite
Takes you high and let you tumble
Big bite ooh
Lick your lips and hit the rumble

Bite
Eat it like a cookie before it crumbles
Bite
Takes you high and let you tumble
Big bite ooh
When you make gold, then you get gold
Tag tag that is the way
