Fallulah

I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream

People say "You can't miss what you never had"  
So how come I lay awake, wanting it so bad?  
People say I should risk it all for you  
But alone I just don't know what to do

I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love, love, love, love, love with a dream

People say "You can't miss what you can't measure"  
Don't they know, longing for you is my one true pleasure?  
They say I'll end up with empty hands  
But I won't let you go, you're my only plan

I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love, love, love, love, love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love, love, love, love, love with a dream

I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love, love, love, love, love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love, love, love, love, love with a dream  
I'm in love with a dream

I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love with a dream  
I'm in love, love, love, love, love with a dream
