

Scared of Love

Fallulah

Why does it feel like a race to your heart?
Like a tick tick boom, now it's shut
Try to play it cool but I'm not
I'm a fool for all that you've got

The day we got wasted and all the things we shared
You told me about your father and how he never cared

And now you're scared of love
And all I wanna do is fix your heart
Your heart
But you gotta let me in
Your heart
I'm like fire in the rain
Your heart
Cause it's too good to waste
Your heart...

Why does it feel like I'm put on display?
Roll the dice but the outcome's the same
Guess I love how you're saying my name
Guess I love how you taste in the rain

We dove into the deep end
And smoked a cigarette
Summers are so deceiving
Cause suddenly they end

And now you're scared of love
And all I wanna do is fix your heart
Your heart
But you gotta let me in
Your heart
I'm like fire in the rain
Your heart
Cause it's too good to waste
Your heart...

Tell me
Tell me
Tell me
Tell me
Do you always wanna be somewhere else?
Your attention feels like heaven or hell
And I don't know what to do with myself

Cause now you're scared of love
And all I wanna do is fix your heart
Your heart
But you gotta let me in
Your heart
I'm like fire in the rain
Your heart
Cause it's too good to waste
Your heart
Your heart
But you gotta let me in

Your heart
I'm like fire in the rain
Your heart
Cause it's too good to waste
Your heart...
