

# Slow Love

Fallulah

Slow love, come creep into my heart  
I'm better with the little piece  
Slow love, make your way into my veins  
And last me for a century  
Oh oh oh  
Oh oh oh  
Ooh  
Oh oh oh  
Oh oh oh  
Ooh

Slow love, you found me in the dark  
When my sadness kept me company  
Slow love, you knew it from the start  
You always saw the best in me  
Oh oh oh  
Oh oh oh  
Ooh

Uno, dos, tres, cuatro

All I want is you  
All I want is you  
If you're slow love to me  
All I want is you  
All I want is you  
If you're slow love to me

Oh love, we've come very far  
Remember how it used to be?  
Your love was hard for me to take  
I guess I never felt worthy

My tears were cold like a waterfall  
Running down my cheeks  
And you said "I thought I couldn't have it all  
Yeah, you found me"

All I want is you  
All I want is you  
If you're slow love to me  
Can't you see it's true  
All I want is you  
If you're slow love to me

Oh oh oh  
Oh oh oh  
Ooh  
Oh oh oh  
Oh oh oh  
Ooh  
Oh oh oh  
Oh oh oh  
Ooh  
Oh oh oh  
Oh oh oh  
Ooh

All I want is you  
All I want is you  
If you're slow love to me
